

SRI MARUTHI SEMICONDUCTORS

Electronics & Semiconductor Components

Authorised Distributor for :

TOPDIODE GROUP

www.maruthisemi.com

About Us

M/s.SRI MARUTHI SEMI CONDUCTOR is a authorised distributor for international brand of TOPDIODE GROUP Product range consist of Discrete Semiconductors include Rectifier Diode, Switching Diode, Zener Diode, TVS Diode, Schottky Diode, Bi-directional Trigger Diode, Fast Recovery Diode, Bridge Rectifier THT & SMT, Small Signal Transistors; and capacitors range includes CA42 Dipped Tantalum Capacitors, CA45 Chip Tantalum Capacitors, CL21 Metallized Polyester Capacitors and CT4 multilayer ceramic capacitors.

SRI MARUTHI SEMI CONDUCTOR serves the consumer electronics, computing, communications, industrial markets, and military application.

We are very well connected to our vendors present in all the major global electronic hubs like Singapore, Hongkong, China, Europe and USA Our global resources give us access to millions of available semiconductors. We offer lower transaction cost and quality electronics .

To attain competitive advantage we offer prices , good customer service and quick response time

M/s.SRI MARUTHI SEMI CONDUCTOR is promoted by qualified & experienced technocrats and group of electrical & electronics engineers with 20 yrs experience in the field of electronics industry.

We import & supply above mentioned products to our customers in India, who are spread across industry verticals like telecom operators, industrial automation, consumer electronics, office automation systems and manufacturers.

We offer lower transaction cost and high quality & efficient products. Good customer service and quick response in possible time.

We understand customer needs & requirement as a reliable supplier and strive for it.

Vision and Mission

We M/s. **SRI MARUTHI SEMI CONDUCTOR** is a highly reliable supplier and creates value to our customers.

We M/s. **SRI MARUTHI SEMI CONDUCTOR** focus on saving cost our customers and manufactureres by sourcing & supplying reliable high quality & efficient international brand products at lower & competitive price.

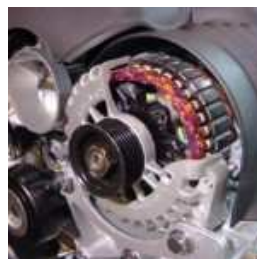

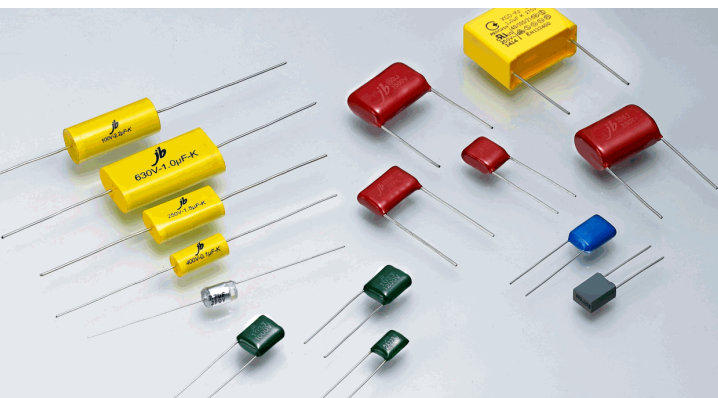

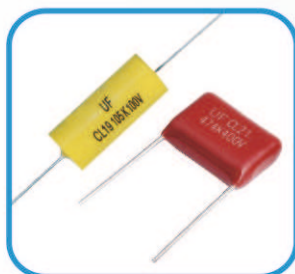

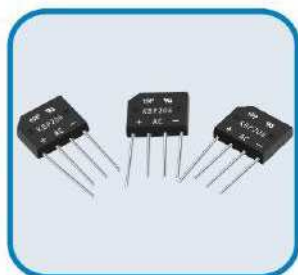

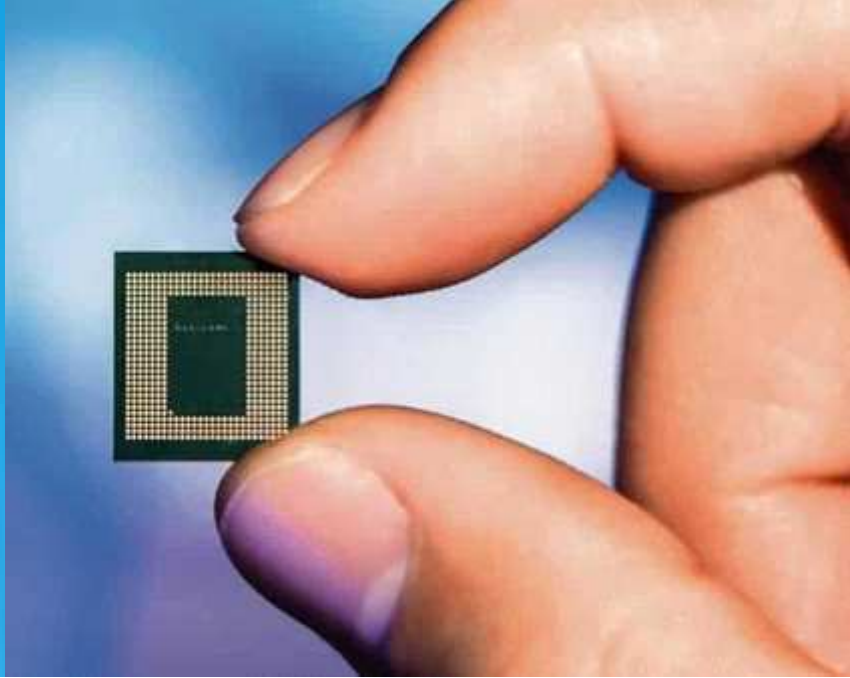

PRODUCTS

All our products are international branded and manufactured in state of art of technology plants meeting international

**We offer Sourcing Solutions & Specilise in Locating Hard to fi nd components,
shortage for production**

**SRI MARUTHI
SEMICONDUCTORS**
